Missouri 4-H Dairy Camp is an exciting event sponsored by University of Missouri Extension. Extension staff, along with professional fitters and volunteers, will provide educational production and exhibition seminars. Participants will be guided through the basics and finer points of fitting dairy cattle. Youth will work in small groups receiving individual assistance.

This year we are back at the fair grounds! We will have camp at the Lawrence County Fair Grounds in Freistatt, MO! Cattle will be provided by Wrightvale Holsteins. If you have your own grooming equipment such as clippers or dryers, you are encouraged to bring them along.

For adults wishing to eat with campers donations will be accepted. **Deadline for application is April 15. Enrollment is limited to the first 40 complete registrations (including registration fee).**

Each participant will receive:
- Lodging & meals
- T-shirt
- Grooming Supplies
- Project Notebook
- Transportation to and from fair grounds

University of Missouri Extension does not discriminate on the basis of race, color, national origin, sex, sexual orientation, religion, age, disability or status as a Vietnam-era veteran in employment or programs.
